## CHEVROLET DETROIT GRAND PRIX PRESENTED BY LEAR FANS

We are so excited to welcome everyone back to the Streets of Downtown Detroit for the 2026 Chevrolet Detroit Grand Prix presented by Lear. This marks the fourth consecutive year of hosting the Grand Prix back in the heart of the Motor City and we're looking forward to making the 36th Grand Prix in Detroit's history one of the best weekends of the year.

Since we brought the Grand Prix back to its original home in Downtown Detroit in 2023, we're proud that the event has become one of the most inclusive and welcoming annual festivals in Southeast Michigan. With more than half of the Grand Prix venue once again open and available to fans for free all weekend long, we hope that even more people will get a chance to experience the thrills and excitement of race weekend this year.

In 2025, we were excited to host the first-ever Detroit Grand Prix Cruise Night presented by the Detroit Auto Show and we look forward to building on that unique cruisin' experience on the streets of the Motor City on Friday evening, May 29th. Over 100 classic cars, hot rods and more will take a lap of the Grand Prix track and will then be on display along the racing circuit on Friday evening. We invite everyone to enjoy this special downtown car show free of charge on Friday night for the second annual Detroit Grand Prix Cruise Night presented by the Detroit Auto Show.

The Grand Prix's return to Downtown Detroit has also helped **turbocharge our local economy with the event expected to generate over \$100 million in total spending for our region.** With over 100,000 people expected to visit the Grand Prix this weekend, we look forward to once again making a positive impact on our local businesses and the communities across the city of Detroit.

The Grand Prix will also continue its tradition of giving back to our collective community in 2026. The annual PwC Grand Prixmiere presented by Chevrolet gala has **helped raise nearly \$10 million for local charities over the last 12 years.** As we prepare to host the 2026 PwC Grand Prixmiere presented by Chevrolet on Friday night, May 29th, we will help raise several hundred thousand dollars to benefit several important local non-profit organizations including the Belle Isle Conservancy, the Boys and Girls Clubs of Greater Detroit, Detroit 300 Conservancy, the Detroit Public Safety Foundation and the Pope Francis Center in Detroit.

On the track this weekend, the Grand Prix will continue to deliver action-packed racing from three premiere series on the tight and technical nine-turn, 1.7-mile street circuit. On Saturday, the exotic sports cars of the IMSA WeatherTech SportsCar Championship will compete in the Chevrolet Sports Car Classic. Sunday, the future stars of racing will be in action in the INDY NXT by Firestone race before the high-powered cars of the NTT INDYCAR SERIES battle wheel-to-wheel in the Chevrolet INDYCAR Grand Prix.

Thank you to Chevrolet and General Motors for their continued commitment and support of this special event that delivers so much for our city, and we offer a special thanks to our partners at Lear Corporation, celebrating 10 years as the presenting sponsor of the Detroit Grand Prix in 2026. We want to thank all of our Grand Prix partners, along with our amazing Detroit Grand Prix Association volunteers, for being the driving force behind the Grand Prix.

We are looking forward to an amazing Grand Prix weekend in Detroit and we are so happy that you can be a part of it. We encourage you to download our free Detroit GP app to enhance your Grand Prix experience and we hope you have a fun and safe weekend here in the Motor City. After the event, please visit our [DetroitGP.com](https://DetroitGP.com) website to share your experience and your feedback with our team.

Sincerely,

## DEAR GRAND PRIX FANS

On behalf of General Motors, Chevrolet and Cadillac, I'd like to welcome you to Detroit for another fantastic weekend of motorsports action at the Chevrolet Detroit Grand Prix presented by Lear.

This year marks the fourth year of the return of this highly-anticipated event to the Streets of Downtown Detroit, and the event is only getting better. Once again this year, the NTT INDYCAR SERIES will be joined by the IMSA WeatherTech SportsCar Championship, the premier sports car series in North America. That means the Corvette Z06 GT3.R and Cadillac V-Series.R will be among the race cars you'll see in action.

The world's best drivers will be competing on the nine-turn, 1.7-mile course that runs right through the heart of our city. The layout poses a real challenge for the teams, creating a true test of strategy, set-up and execution of the race plan.

Year after year, this race weekend brings visitors to Detroit, and race fans downtown, contributing to the local economy and highlighting the best of what the Motor City has to offer. With three races across three different series, plus autograph sessions, games, interactive displays, great food and more, it is sure to be an exciting weekend, and one that's fun for the whole family.

### The weekend's races at the Chevrolet Detroit Grand Prix presented by Lear include

- Chevrolet INDYCAR Grand Prix  
*(NTT INDYCAR SERIES Race)*
- Chevrolet Sports Car Classic  
*(IMSA WeatherTech SportsCar Championship Race)*
- INDY NXT by Firestone Race

We are beyond excited about this year's Grand Prix weekend on the streets of Downtown Detroit. Thank you for your interest in and support of the Chevrolet Detroit Grand Prix presented by Lear. I hope you have a great time.

Sincerely,

Mark L. Reuss

# THE GRAND PRIX IS COMMUNITY DRIVEN

THE DETROIT GRAND PRIX IS A 501(C)3 NON-PROFIT CORPORATION. OUR IMPACT EXTENDS FAR BEYOND WHAT HAPPENS ON THE TRACK. IT IS ABOUT SHOWING UP FOR THE CITY, INVESTING IN ITS FUTURE, AND CREATING AN EVENT THAT GIVES BACK IN MEANINGFUL, LASTING WAYS.

In 2025, the Grand Prix set a new global standard by becoming the first motorsports event in the world to earn Evergreen level certification from the Council for Responsible Sport, the organization's highest sustainability honor. That leadership continues in 2026 with a renewed commitment to responsible event operations and community impact. From carbon offset programs and expanded recycling and waste diversion efforts to partnerships that uplift youth, small businesses, and the arts, sustainability is woven into every layer of race weekend.

None of this is possible without the support of our dedicated partners, whose commitment helps ensure the Detroit Grand Prix leaves a positive footprint long after the checkered flag waves. Giving back is also a defining part of race week. The annual PwC Grand Prixmiere presented by Chevrolet brings together leaders from across motorsports, business, and the community for an evening with purpose, hosted at the iconic Hudson's Detroit building. Since 2014, this signature event has raised **nearly \$10 million** for local nonprofits. **In 2026, proceeds will once again support organizations doing vital work across the city, including the Belle Isle Conservancy, Boys & Girls Clubs of Greater Detroit, Detroit Public Safety Foundation, Detroit 300 Conservancy, and the Pope Francis Center.**

Most importantly, the Detroit Grand Prix is built for everyone. **More than half of the venue is open and free throughout the three-day weekend**, welcoming fans of all ages to experience world-class racing in the heart of the Motor City. Complimentary access to Hart Plaza, Spirit Plaza, the Detroit Riverwalk, Woodward Avenue, Campus Martius Park, and Jefferson Avenue ensures that everyone can be part of the excitement. Courtesy viewing platforms and interactive fan experiences throughout the city invite the entire community to soak in the sights, sounds, and energy of the event.

That commitment to access extends to education and youth development. Since returning downtown in 2023, the Detroit Grand Prix has showcased student-designed digital murals displayed trackside, celebrating Detroit's automotive legacy while highlighting the creativity of local youth. These murals are part of a broader focus on STEM learning through motorsports. That mission expanded last year with the launch of the Grand Prix Sports Correspondents Club, a hands-on program that introduced students from the Boys & Girls Clubs of Greater Detroit to careers in media, communications, and marketing through real-world race weekend experiences.

Strong partnerships make this impact possible. With support from organizations including Blue Cross Blue Shield of Michigan, Delta Air Lines, DTE Foundation, Henry Ford Health, and PNC Bank, **the Grand Prix creates opportunities that reach neighborhoods, schools, and small businesses across Detroit.** Together, these collaborations help turn race weekend into a true citywide celebration.

Local businesses are part of the spotlight, too. The Small Business Straightaway continues to showcase Detroit-owned businesses from every district, with a focus on BIPOC-, women-, and LGBTQ+-owned enterprises. By connecting these businesses directly with fans, the Grand Prix helps drive economic impact and amplify local voices throughout race weekend.

**At its core, the Chevrolet Detroit Grand Prix presented by Lear is about community, connection, and pride in the city we call home—and that impact continues to grow with every lap.**
